Where the Grocer Was. Doris' mother was in the habit of ordering her bread at Smith's grocery. One day while entertaining callers they heard Doris in the next room talking through her toy telephone, asking Central for Smith's grocery, when she called: "Mother, Mr. Smith isn't at home." "Where do you suppose he is?" replied the mother. Doris answered: "Why, he's up in heaven getting our daily bread."

FALL CHARGES CARRANZA PLOT TO DOWN U.S.

Has Proof of Conspiracy With Radicals to Cause Revolution and Seizure.

Washington, D. C., Dec. 8.—Evidence that radicals in Mexico, with the knowledge and support of President Carranza, plotted to instigate a revolution in the United States and seize the border States acquired by the American Government in 1848 is contained in the memorandum presented to President Wilson by Sen. Fall, of New Mexico, chairman of the Foreign Relations Subcommittee investigating the Mexican situation.

Plans for the proposed revolution were obtained by the subcommittee from the minutes of a meeting last October 15, in Mexico City, of Lodge Twenty-Three, an organization of extreme agitators, and members of the Industrial Workers of the World. The Mexican president is linked most directly with the plot through correspondence, in which he recommends three men for special consideration because of their connection with the "plan which they desire to put into practice in the State of Texas." These men, the committee states, have been identified as active agents of Lodge Twenty-Three.

The memorandum which obtains an abstract of the evidence collected by the committee, was delivered to the president by Senator Fall Friday night and made public late today.
